### What makes Hay Days tick?

People! Nothing is more important than volunteer help, and there is always room for more help to run events.

Funding for Hay Days includes donations from individuals and businesses. A portion of the entry fees for some of the events also help fund Hay Days.

Many worthy organizations in our community raise their own funds by selling food during Hay Days. So please be generous, and thank all of the many volunteers you encounter. They are the enduring strength behind Hay Days.

## Pickford Hay Days

Every year since 1979, during the first weekend of August, the community of Pickford joins together to celebrate the joys of small town living. The theme, "School Days", was chosen to coincide with the Pickford Area Historical Society's publication of "Country Schools". The Society has been busy gathering information and old photographs of early schools in the area including the many one room schoolhouses that dotted the rural landscape. This historical project is the latest in the Pickford Patchwork series of historical books and will be available in time for Hay Days.

Check the schedule of events for changes and additions. New events include the Golf Scramble and the Turkey Shoot on Wednesday, the Teen Dance and Guitar Hero Competition on Thursday, and the Chicken Barbeque on Sunday.

On Friday evening after the Hay Bale Races and the Kid's Parade, be sure to bring a lawn chair and take in the Coronation ceremony as 2009 Queen, Emily Johnson, crowns the new Queen. Clare Cottle and Seth Van Luven will be installed as Princess and Prince. Diane Schmitgal will serve as Hay Days Belle. The Hay Days Program will feature lots of local talent. If you are interested in performing, contact Dr. Morrison.

Saturday is jammed packed with events. The Hay Days Parade will feature two great bands; The Sault Pipe Band, and the Royal Canadian Legion Band, from Sault Ontario. Be creative with parade entries and celebrate the importance of education in our lives!

There is plenty to see and do. So plan on getting together with old friends, thank a teacher, and have a good time in Pickford or else you may be sent to the principal's office!

### Hay! Why Not!

#### What's Up For Next Year?

As always, Hay Days will take place the weekend of the **first Saturday in August.**

Hay Days 2011 will be August 3 - Aug. 7  
We are considering going with an Automotive Theme and having a small Car Show on Main Street. What do you think? How about a Tractor Extravaganza some year?  
Please submit your ideas for a theme.

# Pickford Hay Days

2010

August 4 - 8
